 - a. Brower Timing System - Ryan King
 - Sprint based football, taking over high school sports in the country, (Stewartville uses it), track their speed and get faster by the end of the season.
 - Brower Timing System is the best of the best, not the most expensive.
 - If football can prove that the system works the athletic department will potentially buy another one.
 - Allow us to track more data for college football coaches.
 - Cost is \$2,363.00 - TCI, includes the timing system and the smartphone interface. TCI system plus one gate.
 - Factors students "Truck" speed = height, weight, and flying 10 speed.
 - Board approved the purchase of the Brower Timing System.
 - King will look into making sure we are getting the best price from Brower.
